HISPANIC HISTORY MONTH

Students performed lively dance routines.

Ms. Cherry and Ms. Cook.

A solo dance performance.

Clockwise from above left: Students enjoying the show, Principal Tracey gets in on the act, backstage with the performers, the audience packs the house for the performance, and Hispanic History Month teachers.

Hispanic History Month is an official celebration of American citizens whose ancestry can be traced back to Spain, Mexico, South America and the Caribbean. Ms. Cherry put on a dance performance for the school and parents on October 11th. The wall were decorated with generations of Hispanic Americans who have positively influenced and enriched our nation.

A NOTE FROM THE PRINCIPAL

Tracey Coleman
Principal

Hello again,
Graduates and Friends,

The new school year is here after a long hot summer. Each September, it is always so nice to stand outside St. Luke's on the first day of classes to see the happy faces of the children excited to be back in school. But this year some of the young faces were especially bright. We welcomed 2 new 3UPK classes and teachers to our school family. The 3Universal Pre-K classes are comprised of three year old students. In addition, we have added several new families into St.

Luke's School.

Our new school year is flying by. The days are full of activity. We are getting ready for our MAP testing, which is given to all children grades kindergarten through grade 8 within the Archdiocese as well as our annual activities.

In October we have the Hat Parade on St. Luke's Day. This is a great day to share school spirit. November is busy with each class making baskets for needy families. December hosts the Christmas Show. Each class performs a song of their choice. Then there are more annual activities to celebrate in the Spring which will include Easter, Catholic Schools Week and Culture Day.

I am very proud of St. Luke's School. I think we are making the best contribution possible to the future of our children. A heartfelt "thank you" goes out to all the people who demonstrated their love of St. Luke's by contributing so generously. We hope you can help us to continue to preserve and improve the quality of our educational and extra-curricular programs.

Please stop by or call. We love when people come back to visit.

God bless all of you.

SR. GRACE WANTS YOU TO KNOW...

Box Tops \$ for Education Earning Cash for St. Luke's School

You can make a difference for your school every time you shop for groceries.

Just clip the Box Tops coupons from your favorite products and send them to the attention of Sister Grace Augustine O.P. at St. Luke's. She will collect them and send them to Box Tops for Education.

Twice each year, Box Tops will send a check for each Box Top coupon redeemed. Each Box Top coupon is worth 10 cents for the school.

You can find these box-top (logos) on products like Kleenex, Ziploc, Betty Crocker, Cheerios, Total and other general Mills cereals. Funds are used to purchase supplies for the school.

"Every donation that we receive helps us to achieve our goal of providing a quality education for our children", said Sister Grace.

Over the past several years, St. Luke's has received several hundred dollars from this program. For more information about the program and products, visit www.boxtops4education.com. You can also sign up at the Box Tops website, btf.com, for other programs that support schools.
